All my friends are heathens, take it slow
 Wait for them to ask you who you know
 Please don't make any sudden moves
 You don't know the half of the abuse
 All my friends are heathens, take it slow
 Wait for them to ask you who you know
 Please don't make any sudden moves
 You don't know the half of the abuse

Welcome to the room of people
 Who have rooms of people
 That they loved one day
 Docked away
 Just because we check the guns at the door
 Doesn't mean our brains will change
 From hand grenades
 You'll never know the psychopath sitting next to you
 You'll never know the murderer sitting next to you
 You'll think, "How'd I get here, sitting next to you?"
 But after all I've said, please don't forget

All my friends are heathens, take it slow
 Wait for them to ask you who you know
 Please don't make any sudden moves
 You don't know the half of the abuse

We don't deal with outsiders very well
 They say newcomers have a certain smell
 Yeah, I trust issues,
 Not to mention
 They say they can smell your intentions
 You'll never know the freakshow sitting next to you
 You'll have some weird people sitting next to you
 You'll think "How did I get here, sitting next to you?"
 But after all I've said, please don't forget
 (Watch it, watch it)

All my friends are heathens, take it slow
 Wait for them to ask you who you know
 Please don't make any sudden moves
 You don't know the half of the abuse

All my friends are heathens, take it slow
 (Watch it)
 Wait for them to ask you who you know
 (Watch it)
 All my friends are heathens, take it slow
 (Watch it)
 Wait for them to ask you who you know
 (Watch it)

Why'd you come, you knew you should have stayed
 (It's blasphemy)
 I tried to warn you just to stay away
 And now they're outside ready to bust
 It looks like you might be one of us
